

Dr. Bucholz: THANK YOU for seeing JOYCE ARNOLD: Our beloved, fun-loving, free-spirited **wife, mother, mother-in-law, grandmother**, confidante, teacher, friend, counselor, hero, nurse, and caretaker...the woman who made us who we are today, and who we are yet to be....a walking saint on earth who has devoted her life to each of us...our true matriarch and the HUB of the ARNOLD FAMILY WHEEL!  
*With gratitude, the Richard & Joyce Arnold Family*
